

THE NATIONAL ARCHIVES
of the UNITED STATES
COLORING BOOK
of LIGHTHOUSES 2018

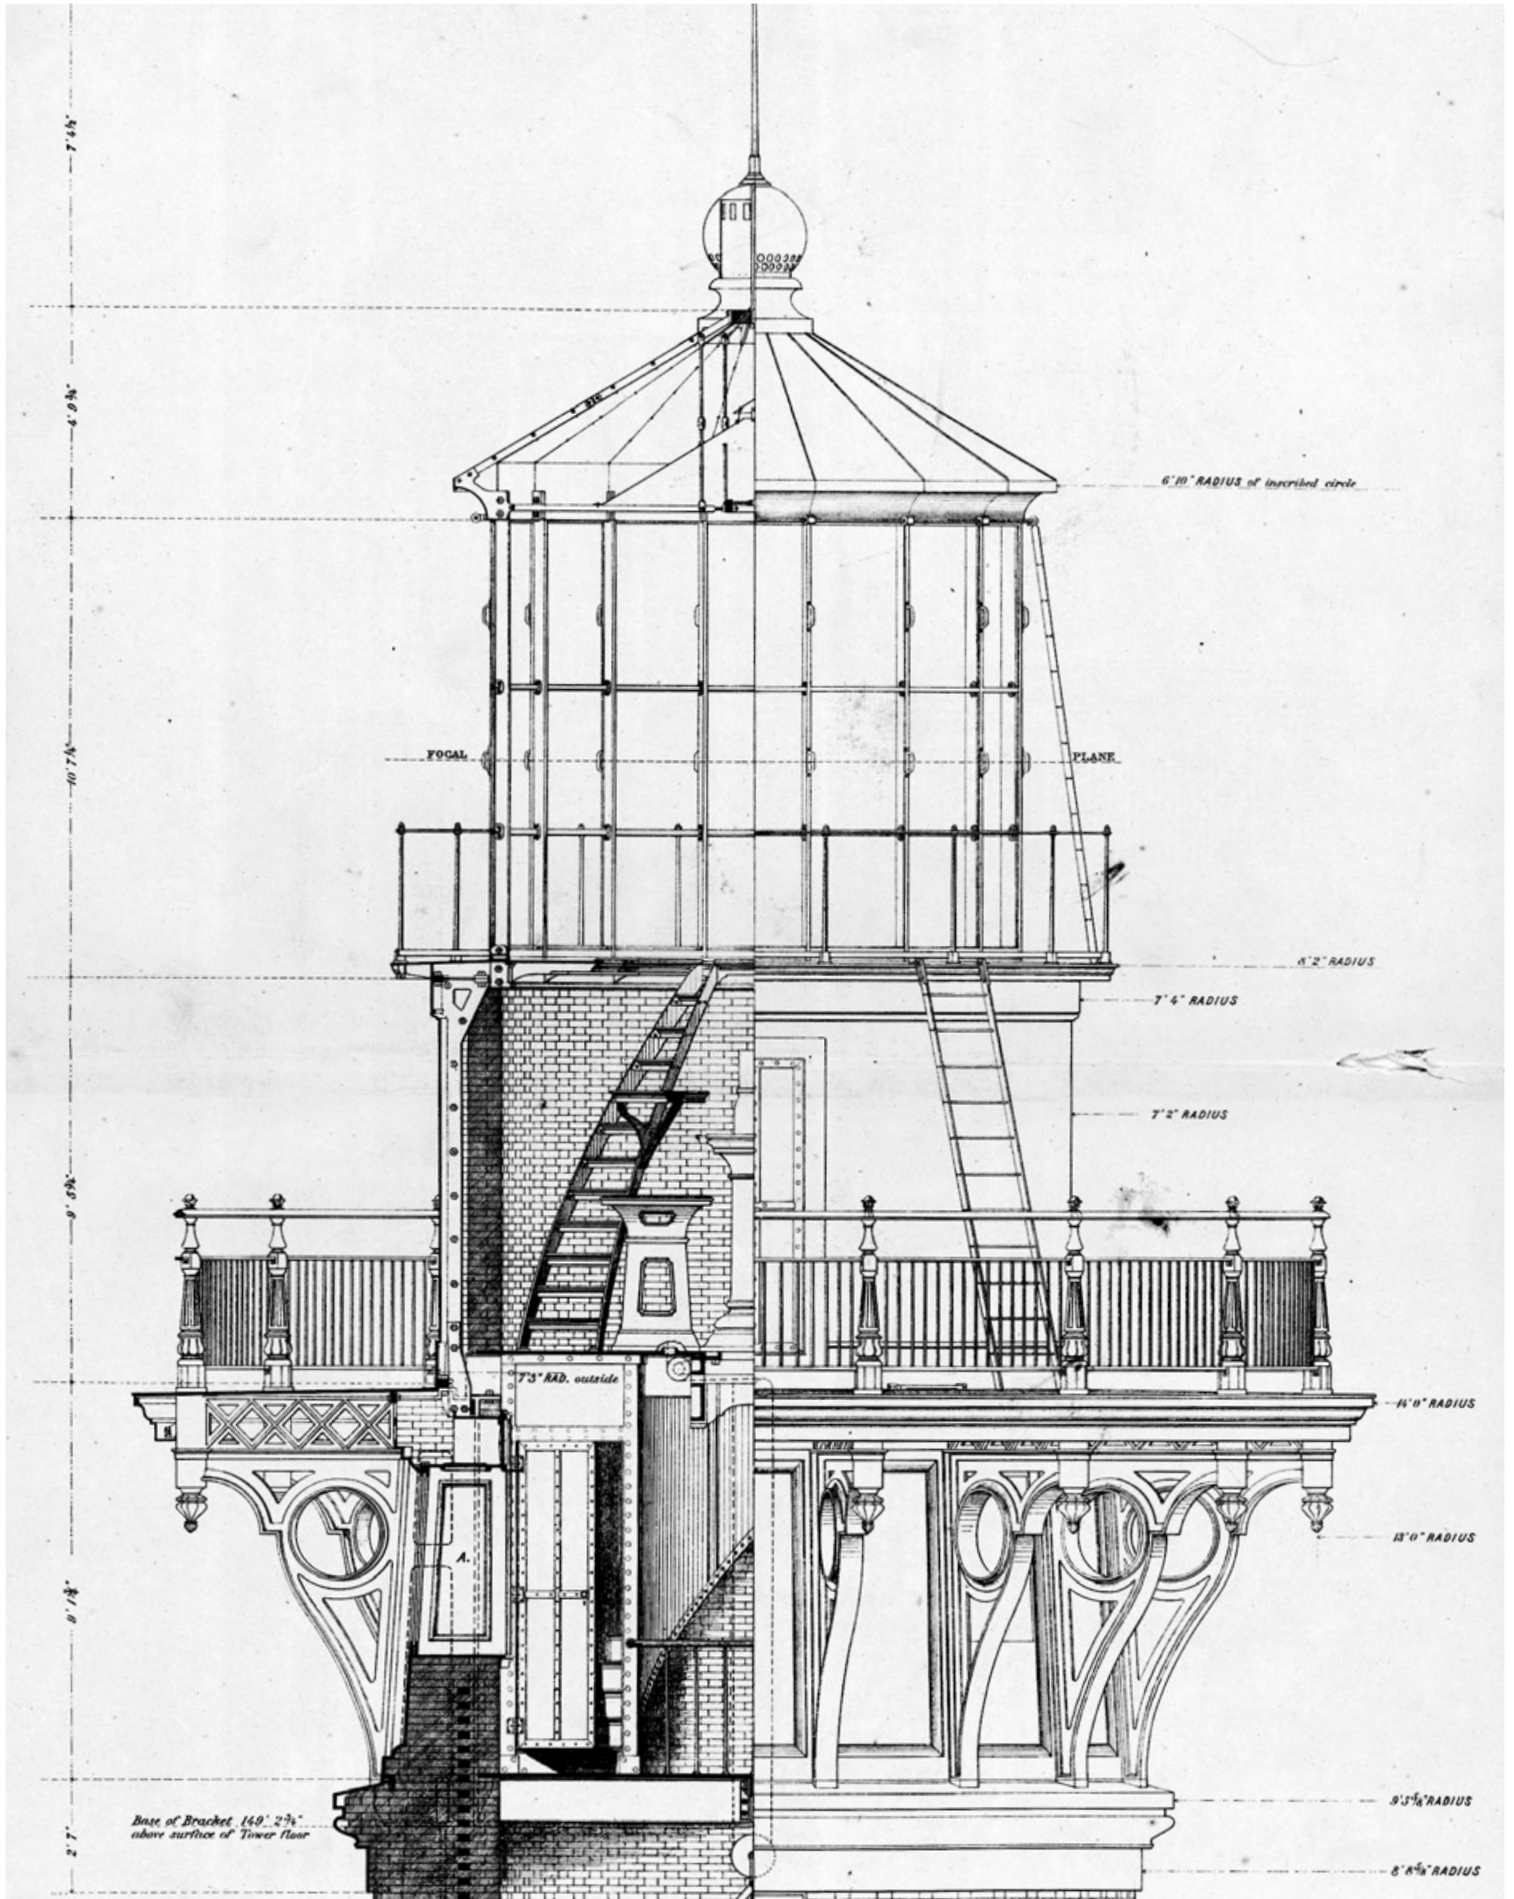

We've chosen some of our favorite lighthouse architectural drawings from our holdings for you to color. Share them with us on Twitter by using the hashtag #ColorOurCollections and tagging @usnatarchives.

These lighthouses, found across the country, came from the Records of the U.S. Coast Guard (Record Group 26). You can explore more architectural and maritime images in our digital catalog (catalog.archives.gov).
